## **ISA Completes Successful Implementation of Sage MAS 500 Fashion Matrix for Cambio America**

Fashion Matrix add-on for MAS 500 delivers apparel and footwear-specific functionality that provides Cambio America with an end-to-end software solution that reduced overhead labor by \$80,000 annually.

**Toronto, ON - July 26, 2007** - Information Systems Architects, Inc. (ISA), a leading provider of enterprise-strength business management software and technology solutions to small, medium, and large organizations announced today that Cambio America has gone live with an the ISA Fashion Matrix add-on application for Sage MAS 500.

The ISA Fashion Matrix is a comprehensive sales order entry, inventory, and warehouse management solution for the apparel and footwear industry and designed exclusively for Sage MAS 500 – a market-leading accounting application developed by Sage Software, Inc. Tightly integrated, these applications work together in a “best of breed” approach to providing world class functionality for fashion and accounting.

Michael Swartz, CFO of Cambio America, states, “We are extremely pleased with our selection of the ISA Fashion Matrix. Once our local software partner got MAS 500 up and running, the ISA Fashion Matrix was a simple snap-on. Together they provide us with outstanding versatility to streamline our operational processes, reduce data entry time, and provide a tremendous amount of reporting detail.” He adds, “With the simplicity of the ISA Fashion Matrix, we were able to cross-train one of our logistics employees to take over order entry and reduce overhead labor by \$80,000 annually.”

According to Bruce White, Director of Business Development for ISA, “Sage MAS 500 is one of the top software applications on the market for small and mid-sized companies. What we’ve done is extend that leadership into the apparel and footwear industry with a simple add-on that is so tightly integrated with MAS 500 that it looks and feels like one single solution. Needless to say we are extremely happy with the return on investment that Cambio America has achieved. In addition, our commitment to ongoing support as a business and technology partner will ensure that Cambio will continue to leverage their investment in the ISA Fashion Matrix to its fullest for many years to come.”
